Whiting & Turner Contracting Co.

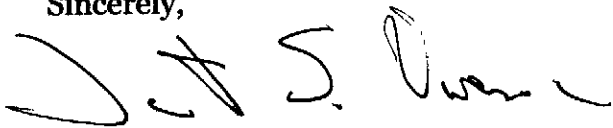

Re: Annapolis Town Center @ Parole

As one of Anne Arundel County's former County Executives for two terms, I would like to personally recommend Childs Landscape Contractors for the above referenced project. They are an experienced and qualified contractor that has always enjoyed an excellent rapport with the county.

Harry Redmon and the team at Childs Landscape are second to none when it comes to attention to detail and quality. Mr. Redmon's hands on approach to a project from start to finish, offers his 25+ years of experience and knowledge in the industry. In addition, the pride, passion, and resolve that Childs Landscape shows in its efforts, will ensure the best finished product.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Janet Owens

RM
They do great work!
