Re: Bowie Town Center, Bowie, MD

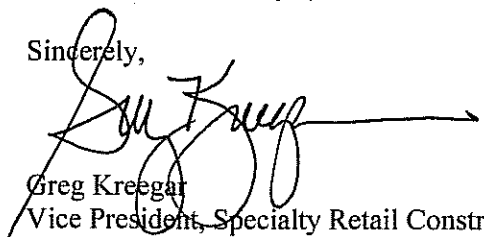

To Whom It May Concern:

Childs Landscape Contractors, Inc., successfully completed the above referenced project, valued at \$1.1M, between the years of 2001 and 2003.

Their performance was above reproach and of the highest quality. This company has demonstrated a high degree of professionalism and maintained an excellent reputation throughout the region. Furthermore, Childs Landscape has the experience, manpower/equipment, and other resources to successfully complete the Annapolis Town Center project with the same outstanding quality and attention to detail.

In closing I would highly recommend Childs Landscape for this project.

Sincerely,

A handwritten signature in black ink, appearing to read "Greg Kreegar", with a long horizontal line extending to the right from the end of the signature.
