To Whom It May Concern:

Childs Landscape Contractors, Inc. has successfully completed the following projects for VCC, totaling over one million dollars.

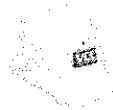

Annapolis Gateway  
Corridor Market Place  
Carmax @ Whitemarsh  
Riverview Plaza  
AMC Theatre Potomac Mills

These projects were finished within the specified contract time and the workmanship was excellent. The employees, from the field crews to management, were always pleasant, very professional and highly skilled. Their work was done with utmost attention to detail and they always maintained a clean and safe working environment.

I look forward to the prospect of having Childs Landscape for future VCC contracts and would highly recommend them for any of your projects.

Sincerely,

Kevin Burchfield  
Vice President  
VCC  
770-225-1908
